me: what's the haps, yo
Mirna: what are you waiting for
Mirna: for who to do what?
me: oh, it's sort of a joke
Mirna: take your opiate meds
me: I've got this English chick flying down
Mirna: jesus
Mirna: from where?
me: London
Mirna: you are quite the romeo
Mirna: oooooh
Mirna: from the interwebs?
me: sort of, Facebook, she's a fan
Mirna: hahaha
Mirna: violate her for me ;)
\
me: I'll forward you some stuff
Mirna: i am a fan of a lot of people
Mirna: i dont buy 1000 plane tickets
me: Oh, they won't let her back into fucking Europe when I'm done with her
me: your fucking mind would be blown at the shit that comes out of her mouth
Mirna: hahahaha
Mirna: like sexy shit?
Mirna: or crazy shit
me: let's see here
me: there's on half-joking crazy thing
me: Having studied it at length I would like to commend you on your seated position in the first shot which pans toward you. There is a very nice bulge in your pants. I know, I am completely perverted and make no apology. You are lounging in such a relaxed manner that I want to consume you piece by piece, give birth to your perfect manly form and then have you fuck me. I am sure the Greeks wrote a seriously fucked up play about that.
Mirna: wear a condom
Mirna: that one gets pregnant
Mirna: she stays pregnant
Mirna: also she may murder you
Mirna: so be careful
Mirna: and hide all weapons

me: dad's got the shotgun anyway
me: no, though
me: that's sort of a joking one
me: actually tamer than shit Liz Dryden would say to me
Mirna: got that girl was a ho in high school
Mirna: i miss her.
me: which tended to involve us killing some third party
me: yeah, I don't know why the fuck she wouldn't just say hi when i sent her a little facebook message
me: I mean, like, hey, remember me?
Mirna: she prolly didnt get it
me: that five year fucking epic teen paranormal romance
me: actually
Mirna: from john searcy's account when she lived in ny she was on heroin with evan novie the whole time
me: that's a book section now
me: teen paranormal romance
Mirna: twilight?
me: all the other books
me: in the vein
Mirna: gross
Mirna: i want nothing to do with those
me: it's just kind of funny and also terible
me: also
Mirna: i dont think i was ever young or dumb enough for books like that
me: I'm withdrawing the book from my fucking douche publisher
Mirna: even when i was reading rl stine in the 3rd grade
Mirna: y?
me: I've already got one of the biggest agents interested
me: read the first chapter, he wants a two-page rundown with a marketing section
me: and frankly, I'm going to be able to write literally one of the most absurdly amazing marketing sections that a book proposal has ever had
me: also I'm doing a film treatment
me: for the producer with Ferrell and McKay
me: oh and check it
me: this came out yesterday
me: http://www.dmagazine.com/Home/D_Magazine/2010/November/A_Sneaky_Takedown_of_Mark_Davis.aspx
Mirna: wow
Mirna: put me in the movie
Mirna: or i will never speak to you again
Mirna: <3

Mirna: i want a speaking rold
Mirna: role
me: I'd actually win out putting you in a movie
Mirna: <3
Mirna: i want to be the only girl friend of yours you put in the movie
me: it's a damned good idea, too
me: check it
Mirna: if you are a banging a girl you can put her in
me: the idea is this
Mirna: but my part MUST be bigger than hers
me: shut up and listen you filthy sex goddess
me: the movie's about a freelance speechwriter who ends up secretly writing speeches for both candidates in the same campaign
Mirna: omg i LOVE that
me: now, right there, that's got both all kinds of great comedic potential coupled with actual "meaning" potentiial
me: and the producers love it
me: it's like the best elevator pitch in the world
Mirna: omg make me one of their wives
Mirna: i am a pretty good actress
me: did I tell you I'm an advisor to that campaign
Mirna: i'll read for you :)
me: ?
Mirna: ya i think i saw a chat about it from you one night when i came home drunk
me: basically I got my shit together all at once
me: except that I'm still a degenerate
me: and will probably end up on your couch at least once in the next five years
me: or maybe I'll be rich
Mirna: you should make the main character kind of a rascal
me: in which case I'll still do that
Mirna: and then he could get redeemed at some point
me: a rascal?!!??! oh no!
Mirna: not completely, but enough that the audience would marry him to their daughters
me: that sounds like it could lead to some wacky plot twists!
me: " feel honoured. You are one in a million. Your heart is true, your mind like a scythe, cutting through the dross and making everything clean and perfect. Also I want to feel you inside me. Like nothing else Ive ever wanted in my life."
Mirna: hmmm what about the politicians?
Mirna: omg
me: fucking hot blonde english girl
Mirna: she is crazy
Mirna: you need to save all these emails

me: no, she's not
Mirna: from all these girls
me: these aren't typical samples
Mirna: like the one wanting to marry you etx
Mirna: c
Mirna: make a book
me: who?
Mirna: called girls i didn't marry
Mirna: remember
Mirna: marry me barrett i want greencard here's my picture
Mirna: seriously compile them all
Mirna: it is hilarious
Mirna: i'll put the nightrider letters in there too
me: I DON'T UNDERSTAND!
Mirna: remember that girl
Mirna: black girl
Mirna: who emailed you
Mirna: and she wanted to marry you
Mirna: from another country
me: who?
Mirna: and you wrote her those hilarious emails
Mirna: cause it was a scam
Mirna: you were on heroin
me: huh
me: don't remember
Mirna: omg i'll try to find them
me: but that does sound like something that would happen
Mirna: start archiving all letters from women
Mirna: seriously
Mirna: we should make a book
me: I am
me: then I'll probably have a clause
Mirna: girls i didnt marry: a collection of letters from the fairer sex
me: right of first refusal
me: this fucking book of mine is going to go off like a fucking atom bomb filled with black cats and, like, knives
Mirna: omg and that crazy almost preggo's girls letters
Mirna: oh please
Mirna: we have to make it!
me: make it for what, compile into book?
me: but what about her top notch lawyer?!?!?!?1
Mirna: i can't wait to be in the movie

Mirna: maybe i'll buy some boobs for it
Mirna: i want to be one of their wives
me: WHO EXISTS
Mirna: hahahha
me: jesus christ
Mirna: saul freidmanberg?
Mirna: i can take him
me: something like that
me: my favorite part
Mirna: hymen steiningberg?
me: was black jew girl reaching out to lebanese princess from dallas with brown girl solidarity
Mirna: hahaha
me: like, yeah, Jew, my fucking druse militia lawyer will totally join your fake baby cause
me: FAKE BABIES FOR ALL!
me: I can give all women my fake babies
me: I do not care
Mirna: they all deserve them
me: fucking dumb bitch
Mirna: make them troubled sociopathic fake babies
me: let me show you my various awesome sexual innenduo and outright terrible sexist things
Mirna: hahaha
Mirna: im so excited about this movie
Mirna: it sounds great
Mirna: there's been no movie like it
Mirna: sell it!!!!!!!!!!
Mirna: and i would be believable as a candidate's wife
Mirna: post obama
Mirna: thank you bama
me: yeah, I've gotta do like 3-page treatment
me: will do it this weekend
Mirna: do it do it
Mirna: do it yay!
me: and I'm pulling out all the stops
me: going to steal all the good real life incidents
Mirna: yes!
me: gonna have a John Ruiz character
me: with maybe a little... longshot romance?
me: will he get the bartender chic?
me: does anyone give a shit?
me: nevermind!
Mirna: hahahaha
me: seriously, though, you're all going in

Mirna: yay
Mirna: !
me: especially you
Mirna: yay!
me: I'll probably just have him on your couch
Mirna: you could have the candidates daughter think she's preggo
Mirna: and call the guy
me: cause I think that's a pretty funny setup
Mirna: while making gagging motions
me: probably just cast you as you
Mirna: yay!
Mirna: ooh then i could smoke pot in the movie
Mirna: pothead lawyer
me: we're not going to be able to fit in all of your abortions by white trash pizza guys
Mirna: hahahhahah
Mirna: ok
Mirna: the other movie i was in i played myself too
me: we could make a documentary called "Look what the fuck mirna and liz were doing back in the day, Dr. Hariz!"
Mirna: hahaha
Mirna: i would tell my dad you were LYING
me: we couldn't address it to Liz's dad
Mirna: WHITE MAN LIES
me: because he knows part already
me: WHITE MEN ABUSE BROWN WOMEN
me: that hasn't been true for years and years
me: except for that time I fucked a half-jew on your bed and shot up all that heroin
Mirna: hahaha
me: plus all the violent threats!
Mirna: that whore.
me: lolololololol
me: yeah, she was a nut
Mirna: cucumber fucking whore
me: how now?
me: "You (Barrett) are quite simply mesmerising, and I bet you are a fucking great fuck. In fact I nearly had a fantasy about you but I fell asleep before it could kick in. I'm expecting to be visited by it tonight. Your accent, which is the sexiest thing I have ever heard (how are you not being rogered repeatedly every time you open your mouth to speak?) makes my nipples ache. (that is a sexual thing btw, but otherwise I'm not into any hurting) Oh GOD I am alluding to sex again. And I think about your cock a lot. Fuck. Why am I talking about this stuff. What the hell is wrong with me? My next blog post is going to be about your cock. I am expecting a LOT of hits. (see what I did there)"

me: this girl will basically be my white slave
Mirna: hahahha
me: also, we actually have like honest feelings for each other
me: which is weird
Mirna: awww
Mirna: well fuck her and try not to get attached
Mirna: in case she is the type to give a lot and then get bored
Mirna: just roger her noggin out
me: oh, here's how I splashed those panties like a Pakistani flood
me: this was from early in the courtship when I was planning on seeing her when I go to London anyway for this other deal
me: "I'm having trouble honestly expressing myself. What I want to tell you is that I'll have you face down on your bed in whatever rustic flat you live in with my tongue in your ear no more than two months from now."
Mirna: omg if you keep writing movies i could be the uma to your tarantino
me: yeah, except tarantino's a giant fag and he sucks dick
Mirna: well of course
Mirna: and i'm more attractive than uma
Mirna: she has no waist
me: by which I mean he roams around looking for cock to put in his mouth
Mirna: no booty
me: yeah, I know
Mirna: we will take over the world
Mirna: i can be your 'muse' that has a part in all your films
me: I wouldn't even bother dry humping her if she was fast asleep
Mirna: hahaha
me: here's her response to that other line
me: "okay, I can hardly fucking breath. "
Mirna: nice
Mirna: when does she arrive?
me: "See, that's the exact sort of thing I want to see pop up in my little inbox every day right around jack-off-to Emma time. I'll probably go off the suboxone and just deal with the withdrawls so I can pop off four or five times a day until such time as I can arrange to get out of fucking Jesusland. I'll keep plenty for later so I can fuck you for six hours straight. You probably think I'm kidding but that's because you've never dated a degenerate before. I've had a lot of girls put up with a lot of emotional distance just for that right there, but I actually like you, like in a cute way that kind of makes me think that maybe i need to get my ass kicked by a cop just for balance. We'll talk soon, I have to go meet with some Chinese capitalists-in-training because my dad is incompetent."
Mirna: hahahaha
Mirna: i love your writing
me: "I think my heart is going to explode out of my chest. I actually felt a blush rise from my

chest to my cheeks. You are unbelievably arousing. How the hell are you not married to like 16 different women already? "
Mirna: everything that comes out of those hands is gold
me: I really did outdo myself
me: probably needs to go in movie
Mirna: that's another movie
me: anyway, I can answer that last question!
Mirna: freelance writer romancing and fucking girls from around the glove
Mirna: be
Mirna: till he falls for one
Mirna: like up in the air but not horrible
Mirna: that can be your romantical movie
Mirna: but we'll throw in heroin so its not homo
Mirna: and a preggo crazy black girl
Mirna: ok that's the next movie!!
we can put all the letters in there
Mirna: instead of a book
Mirna: but write this movie asap
Mirna: its so good
Mirna: speechwriter
Mirna: if you finish it now and get someone hooked on it it could be released around the next presidential election
Mirna: you would get SO RICH
me: the movie thing is definitely going to work
Mirna: i am really excited
me: and I'll definitely make lots of money
me: the only thing that could go wrong in this case would be one of those endless optioning deals
Mirna: name my character mirna if you can :)
Mirna: well you have alawyer for a reason
Mirna: just dont sign anything till i read it
me: but I've got my guy optioning it and I can now get money raised for any project that crosses my degenerate little mind
me: what with this Barry Eisler guy
me: plus I'm working with the Shah of Iran's architect's son
me: who aside from money
me: has serious anti-clerical connections
me: Next year we start some serious shit
Mirna: who is the architect?
Mirna: i bet he's a friend of bernard khoury
me: I don't know, probably dead, this is his 40-something son
Mirna: oh i see

me: who lives near Austin, oddly
me: hill counry
Mirna: i am moving to austin nov 1
me: so how's NYC?
Mirna: i will be seeing you for thanksgiving
me: ah, nevermind then
Mirna: nyc is good
me: ah-so
Mirna: getting fucking cold
Mirna: fuck this cold
Mirna: it makes you not wanna leave the house
me: you gonna stay in Austin or not?
Mirna: for at least a year or two
Mirna: then who knows
me: ah-so
me: I'll be around Dallas for at least couple more months
Mirna: maybe my film career will take off after being in your movie and you and i will be living in ny again cause it will be closer to all my maxim shoots
me: so I'll be hoppin' and boppin' over there
Mirna: where are you going after a few months?
me: actually the Iran guy will take me periodically
me: not sure yet, that's going to depend on couple facots
me: factors
Mirna: ?
me: mostly film treatment
Mirna: options are . . .
Mirna: iran?
Mirna: lol
Mirna: la or ny right?
Mirna: they might wanna make it in austin
Mirna: that new abatement tax makes it cheap as all hell
Mirna: all these movies have started filming down there the last couple months because of it
Mirna: i will fly wherever you want to be in the movie
Mirna: even if its iran
me: sorry, was exchanging sweet nothings
Mirna: <3
Mirna: i am going to take a shower
Mirna: brb
Mirna: lol zomg
